I. THEORETICAL FOUNDATIONS

THE THEORY OF FISCAL FEDERALISM

LARS PONTERLITSCHEK

1 Introduction 1

2 What Does "Fiscal Federalism" Mean? 2

3 The Division of Tasks among Different Levels of Government 4

3.1 The Allocation Function – Efficiency Aspects 5
3.2 The Distribution Function 10
3.3 Assignment of the Stabilization Function 12

4 Revenue Assignment in a Federal System 14

4.1 Basic Principles of Revenue Raising in a Federal System 14
4.2 The Allocation of Taxing Powers among Different Levels of Government – The Tax Assignment Problem 14

5 Theory and Use of Intergovernmental Grants 23

5.1 Justifications for Intergovernmental Transfers 23
5.2 Types of Grants 24
5.3 The Impact of Intergovernmental Transfers 30

6 Bibliography 35

FISCAL DECENTRALIZATION - PROBLEMS AND SPECIAL REQUIREMENTS FOR TRANSITION ECONOMIES

LARS PONTERLITSCHEK

1 Introduction 39

2 Forms of Government 40

3 Problems and Requirements Concerning the Expenditure Assignment in Transition Economies 42
3.1 General Background 43
3.2 Problems of Expenditure Assignment in Countries in Transition 45
3.3 Requirements for Expenditure Assignment in Countries in Transition 47
4 Problems and Requirements Concerning the Revenue Assignment in Transition Economies 49
4.1 General Background 50
4.2 Tax Sharing 51
4.3 Problems of the Property Tax as the Typical Local Tax 52
4.4 Fees and User Charges 53
4.5 Revenue Autonomy 54
5 Problems and Requirements Concerning the Transfer System in Transition Economies 56
5.1 General Background 56
5.2 The Relevance of Grants in Transition Economies 57
5.3 Managing Fiscal Imbalances and Spillovers in Transition Economies 60
6 Bibliography 63

II. POLAND'S SYSTEM OF INTERGOVERNMENTAL FISCAL RELATIONS

DECONCENTRATION, DECENTRALIZATION, FEDERALISM: TERMS AND DEFINITIONS IN THE POLISH LITERATURE

Magdalena Godek, Radosław Witczak,Tomasz Uryszek

1 Introduction 67
2 Deconcentration in the Polish Literature 69
3 Decentralization in the Polish Literature 71
3.1 Autonomy and Self-Reliance in the Decentralization Process 71
3.2 Different Concepts of Decentralization in the Polish Literature 74
3.3 Definitions of Federalism from the Polish Point of View 77
4 Advantages and Disadvantages of Decentralization 78

5 Conclusions 80

ANALYSIS AND EVALUATION OF THE POLISH FISCAL SYSTEM – THE TASK AND EXPENDITURE SIDE

LARS PONTERLITSCHEK

1 Introduction 83

2 Expenditure Assignment in Poland 83

2.1 Legal Framework 83
2.2 Reforms of Expenditure Assignments 88
2.3 Current Expenditure Assignment in Poland 97
2.4 Bibliography 104

SOCIAL SECURITY SYSTEM IN POLAND - DESCRIPTION AND ANALYSIS OF THE CURRENT SYSTEM 105

Lars Ponterlitschek 105

1 The Polish Social Security System 105

2 Types of Social Insurances in Poland 106

2.1 Pensions 106
2.2 Sickness and Work Accident Benefits 109
2.3 Social Insurance for Farmers 110
2.4 Health Insurance 110
2.5 Unemployment Insurance 112

3 Problems of the Social Security System 112

3.1 Expensiveness of the System 112
3.2 Other Problems 121

4 Bibliography 123

REVENUE ASSIGNMENT IN POLAND 125

Radosław Witczak 125

1 Governmental Institutions in Poland 125

1.1 Central Government in Poland 125
1.2 Local Authorities in Poland 127

2 The Relations between the Social Security System and Local Authorities in Poland 129

3 Revenues of Government Levels in Poland 132

3.1 Tax Administration in Poland 132
3.2 Tax Assignment in Poland 133

INTERGOVERNMENTAL TRANSFERS IN POLAND – LEGAL FRAMEWORK

TOMASZ URYSZEK AND LARS PONTERLITSCHEK

1 Intergovernmental Grants in Poland – Current Regulations 145

1.1 Unconditional Grants 146

4 References 260

UNEMPLOYMENT INSURANCE AND MICRO-LEVEL LABOR MARKET POLICY IN A FEDERAL STATE – THEORETICAL CONSIDERATIONS AND THE GERMAN EXPERIENCE

STEFAN SCHÄFER AND IVO BISCHOFF

1 Introduction 261
2 Training and Placement Activities in a Federalist System 262
2.1 Introducing the Instruments 262
2.2 Federal Training and Placement 263
2.3 Decentralization and Productive Efficiency in Training and Placement 265
3 Unemployment Insurance and Spillovers 268
3.1 Introducing the Instruments 268
3.2 Federal Training and Placement 268
3.3 Decentralization and Spillovers of Training and Placement 269
3.4 Possible Solutions 273

4 Labor Market Policy in Germany – A Critical Overview 274
4.1 A Basic Classification of Labor Market Policy Instruments and the Assignment of Responsibilities to the Federal Levels in Germany 274
4.2 Central Labor Market Policy – the Bundesagentur für Arbeit 275
4.3 Labor Market Policy on the Regional and Local Level 281
4.4 A Critical Assessment of the Assignment of Tasks and Competences 283
5 Conclusion 285
6 References 286

IV. REFORM PROPOSALS FOR THE POLISH FISCAL SYSTEM

REFORM PROPOSALS FOR THE POLISH FISCAL EQUALIZATION SYSTEM DERIVED FROM THE THEORY OF FISCAL FEDERALISM

LARS PONTERLITSCHEK

1 Introduction 291
2 Reform Proposals for the Expenditure Assignment 291
2.1 Problems of the Current System 291
2.2 Reform Proposals 293
3 Reform Proposals for the Social Security System 295
3.1 Problems of the Current System 295
3.2 Reform Proposals 295
4 Reform Proposals for the Tax Assignment 296
4.1 Problems of the Current Assignment 296
4.2 Reform Proposals 297
5 Reform Proposals for the Transfer System 298
5.1 Problems of the Current System 299
5.2 Reform Proposals 303
6 Bibliography 310

PROPOSALS FOR THE IMPROVEMENT OF THE POLISH LOCAL FINANCE SYSTEM 311

TOMASZ URYSZEK RADOSŁAW WITCZAK

SELF-GOVERNMENT FINANCE RECOMMENDATIONS FOR POLAND

WOJCIECH MISIĄG, MARCIN TOMALAK

1 Introduction 313

2 Recommendations 314

3 General Rules of the Fiscal and Regional Policies 316

3.1 Taxes and Social Insurance in Agriculture 316
3.2 Use of the EU Funds 316

4 Organization of the Self-Government 317

4.1 Role of the Voivods 317
4.2 Organization of the Voivodships 317
4.3 Existence of Poviats 318
4.4 Delegated Tasks 319

5 Local Finance 320

5.1 Own Revenue and Equalization System 320
5.2 New Sources of Revenue 321
5.3 Algorithms for the Calculation of General Subsidies 321
5.4 Shares in CIT 322
5.5 Financing Own Tasks 322
5.6 Internal Voivodships' Equalization Algorithms 323
5.7 Self-government Appropriate Funds 323
5.8 The State Fund for Rehabilitation of Disabled Persons 324
